
MEAT BAZAAR

BBQ AND GRILLS

49ERS THE GOLD RUSH

- This concept is based on the 1849 Gold Rush in California. The interior is entirely finished in wood, creating a look of a western saloon. Replicas of pistols, guns and dynamite are displayed.
- The main attraction is that only FRESH FOOD is served from steaks, seafood, lamb, and exotic food crocodile meat, ostrich etc.
- Food is sold as per weight. Guests can choose a steak, lamb chop, variety of seafood or and it's all grilled to perfection in an open view kitchen.
- Live entertainment band performance and a “DJ” to compliment.
